

OUTSTANDING 4+ RESULTS: CLASS OF 2023

I am so delighted and excited to share with you the outstanding outcome of our 4+ assessments. Well done to the incredible children from Limetree Green, Limetree Yellow and Rosewood! You have all made your parents and teachers extremely proud of your confidence, have-a-go attitude and open-minded approach when going along for your playdates!

The feedback that I received, which was a continuous thread from all the schools, is how polite, kind, and confident the Clowns children are. The 4+ outcome is a joint credit to all the classes that the children have been a part of since starting their journey at Clowns.

With kind regards,

Tracy
